## SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

## Local Forecast

Fair tonight and Sunday.

Mr. J. W. Coulter, one of Blitchton's prominent citizens, while in the city yesterday, stated that he was very much opposed to the proposed cutting off of his section of Marion county to make a part of a new one as is now being agitated by parties in western Marion, western Alachua and eastern Levy.

Rev. Bunyan Stephens, of the Baptist church, left this afternoon for Quitman, Ga., where he will preach tomorrow. Rev. J. G. Printer will fill the Baptist pulpit at the forenoon services, and there will be no service in the evening. Rev. Stephens will return Tuesday.

Mr. Ernest S. Alderman, connected with the road building department of the United States agricultural department, arrived yesterday from Akin, S. C., to take charge of the demonstration work being done on the Blitchton road north of town. Mr. M. E. Worrell, who has been superintending this work, leaves tomorrow for Loudon, Tenn., to take charge of road work on the Knoxville-Chattanooga highway.

Mr. D. C. Watkins, ex-commissioner from the western part of the county is among the business visitors in the city today. Mr. Watkins says that the farmers about Dunnellon are making preparations for big crops this season, and quite an acreage of melons has been planted.

Among the interesting films at the Temple theater last evening was the Ford Detroit Weekly feature. This film is furnished by the Ford Automobile Company each week and besides showing scenes in and around Detroit, where the factory is located, it depicts scenes in the workshop where hundreds of these cars are turned out daily. Mr. Tucker, local Ford agent, is very proud of having been able to secure this weekly feature film for Ocala.

Mr. Carter H. Dame is in the city to remain over Sunday, having just returned from a visit to Bronson on business connected with his office as organizer for the W. O. W. A camp of Woodmen has been instituted at Bronson with about twenty charter members. It has been named Texas Camp No. 509. Mr. Dame now has his headquarters in Ocala having moved up from Tampa within the past week.

The case in Citrus superior court against the Florida Power Co., for the death of Baskin H. Davis and Barney L. Smith, killed June 10, 1911, at Camp's dam, by live wires, resulted favorably for the power company, Judge Bullock directing the jury to find for the defendant. The death of the two young men was a most sorrowful accident, but it resulted entirely from their own lack of precaution. Anderson & Anderson represented the Camps.

Judge Smith this morning heard the two boys who have been in charge of the sheriff for the last four days, and gave them their liberty on probation. There is a time in almost every boy's life when it ruins him to be too severe with him, also a time when it ruins him to be too lenient. The judge thought he had best take his chances of erring on the side of mercy, and the Star thinks most of our people will agree with him. The boys have had a lesson; if they profit by it they will be all right, for they are smart little fellows and fully capable of growing up into good and useful men.

At the colored A. M. E. church on S. Magnolia street tomorrow evening there will be held a silver medal contest by the students of Fessenden Academy. The contest will be held under the auspices of the Kendrick W. C. T. U.

A double silver medal contest will be held Thursday evening, April 22, at the Griner Farm school house, under the auspices of the W. C. T. U.

## OCALA SOCIAL AFFAIRS

(Continued from Third Page)

Visitors Honor Guests at Luncheon Given by Mrs. Burford

The coming of Mrs. John Hansbrough of Tampa and Mrs. Frank Jennings of Jacksonville, who arrived yesterday afternoon to spend several days with Mrs. Hansbrough's sister-in-law, Mrs. William Hocker, will be the occasion for a number of interesting social functions, the first of which was given today when Mrs. R. A. Burford entertained at a charming luncheon in their honor.

The table was most artistic in its handsome appointments of silver, cut glass and linen. A tall arrangement of Killarney roses formed the central table decoration and at either end was a pink shaded candlestick. The lights in the chandelier, twined with asparagus fern, were encased in pink rose shades and developed further the pink color note. The hand painted place cards were done in pink roses and the handles of the small crocheted baskets that were at each plate and filled with salted almonds, were tied with pink tulle bows.

Covers were laid for Mrs. Burford, Mrs. Jennings, Mrs. Hansbrough, Mrs. C. R. Tydings, Mrs. J. H. Hill, Mrs. E. Van Hood, Mrs. E. H. Mote, Mrs. R. L. Anderson, Mrs. R. S. Hall, Mrs. Jack Camp, Mrs. D. E. McIver and Mrs. William Hocker.

The luncheon was served at 1 o'clock and the six courses deliciously prepared, consisted of grapefruit cocktail, cream of celery soup, deviled crabs, sliced chicken, peas timbals, asparagus on toast, hot buttered biscuits, pineapple salad with cream cheese and barleedue, parfait, coffee, ginger and mints.

Mrs. Burford, who is vice president and one of the most active members of the Ocala Woman's Club, is at all times a charming hostess and her courtesy today to the two brilliant club women gave utmost pleasure to the guests of honor and those invited to meet them.

After the luncheon the twelve ladies attended the club meeting at which time Mrs. Jennings and Mrs. Hansbrough gave able addresses.

Card Club Entertained by Miss Minnie Stovall

The young ladies' card club was entertained this afternoon by Miss Minnie Stovall. Invited to join the members for their weekly game were a number of friends of the hostess, making in all six tables of players.

The tables were placed on the spacious veranda adorned with spring flowers and as the guests arrived they were served to fruit punch by Miss Mary Burford. Scores were kept on attractive tallies hand painted by the hostess and the prizes for top scores were charming French bouquets in hand-boxes.

Following the games a refreshing course with coffee was served and on the tables, during the progressions were bon-bons.

Miss Stovall's guests were Misses Beatrice Weinecke, Rosebud Robinson, Hallie McClure, Hope Robinson, Bettie Melver, Eugenia Fuller, Mary Burford, Adele Bittinger, Alice Bullock, Hester and Marion Dewey, Helen Brown, Wenona Wetherbee, Tommie Standley, Kathleen Jackson, Mrs. J. H. Walters, Mrs. James Taylor, Mrs. Harvey Clark, Mrs. W. W. Hariss, Mrs. Annie Vandeman, Mrs. E. J. Mills-Price, Mrs. Marcus Frank, Mrs. J. D. Robertson and Mrs. E. L. Carney.

Mrs. Clarence Camp has returned from a several days stay in Gainesville.

Mrs. Frank Teague of Lady Lake, spent the morning in town shopping. She returned home on the afternoon train.

The sixth and seventh grade pupils with their teachers enjoyed an all day picnic at Silver Springs today.

Mrs. Clem Purvis is in the city and will spend several days with her mother, Mrs. D. M. Boney.

Mr. and Mrs. Ed. Carmichael, Miss Georgia Mulhall and Mr. Primm have returned from a pleasant trip to Palatka.

Mrs. John Boisseau and little daughter left today for a visit to relatives at Chipley.

Miss Myrtle Wilson was a recent visitor for several days at Tavares, the guest of Mrs. Lena B. Jennings.

Mr. W. M. Holloway of Gainesville, formerly state superintendent of public instruction, now special agent of the department of commerce, was in town today obtaining statistics from the business men.

Mr. Charles P. Haycraft, of the Berlin section, is among the Saturday visitors in the city. He says people in his section have no desire to be "moved" out of old Marion county by the legislature, and they are petitioning accordingly.

## BACK FROM THE FIRING LINE

First Aid to the Wounded  
Paris, Feb. 13.—At almost every station on the railroads you will see men shattered and wrecked for life, men who must face the future horribly mutilated, and yet they accept their fate without a murmur of complaint or bitterness. It is the same in England, in France and, I suppose, in Russia, that all soldiers are bearing their sufferings with the greatest of fortitude.

The best aid these men have is within themselves. The human body will best resist infection from bullets when it is healthy, strong, active and with all of its functions fully alive and working. The best aid to this condition is a vegetable tonic and alternative that will first put the stomach and blood right, for these are dependent on one another. Good stomach means good blood, and likewise good blood means good stomach.

Dr. Pierce's Golden Medical Discovery helps the stomach to do its work naturally and properly, stimulates the liver. The blood is purified. Every organ is rejuvenated. This "Medical Discovery" of Dr. Pierce, is free from alcohol or narcotics. It is made from the roots and barks of American forest plants with triple refined glycerine, and is the best blood purifier, because it banishes from the blood all poisons and impure matter. It dissolves impure deposits and carries them out, as it does all impurities through the bowels, kidneys and skin. If you have indigestion, sluggish liver, catarrh, unsteady nerves, skin pimples, get Dr. Pierce's Golden Medical Discovery today and start at once to replace your impure blood with the kind that puts energy and ambition into you and brings back youth and vigor.—Adv.

### Measures Heart Current.

The heart of the average man makes about one three-thousandth of a volt of electricity at every beat, and an instrument sensitive enough to measure it has been invented.

## Half Entire Population of St. Paul at Service on Go to Church Sunday

**GO TO CHURCH!**  
In every village, hamlet, town and city in the United States the cry is heard. Many have had their GO TO CHURCH Sundays already. The reports are very encouraging. About half of St. Paul went to service on one particular Sunday. The pastors unreservedly pronounced the results BEYOND THEIR EXPECTATIONS. As one pastor described the scene at his church, every man, woman and child in his congregation seemed to have made a special effort to get to church. Other pastors told of enthusiastic responses of persons who had not attended church in years at the end of the service, declaring that "this doesn't mean only once. I'll be here next Sunday too."

**WITH FEW EXCEPTIONS THE CHURCHES THROUGHOUT THE CITY WERE FILLED TO CAPACITY, AND MANY WERE OVERCROWDED. SUNDAY SCHOOL ROOMS LONG UNUSED AT SUCH A TIME WERE THROWN OPEN TO CARE FOR THE OVERFLOW IN MANY CHURCHES. THE LARGEST ATTENDANCES WERE AT THE MORNING SERVICES. AT THE KNOX PRESBYTERIAN CHURCH THREE MEMBERS OF THE CHURCH WERE UNABLE TO FIND SEATS. THEY RETIRED TO THE BASEMENT, WHERE, SEATED ON THE EDGE OF THE COAL BIN AND BOXES, THEY HEARD THE SERMON BY THE REV. B. S. BATES.**

Grandma Seymour, ninety-five years old, probably was one of the oldest persons who answered the appeal. She attended the morning service at the First Baptist church. She lives at the Home of the Friendless, 469 Collins street. When the GO TO CHURCH call was first issued Mrs. Seymour grieved because she thought she could not be one of the thousands. The Quest Bible class of women of the First Baptist church Sunday school, learning her desire, sent a carriage for her. Accompanied by Mrs. Parr, eighty-four years old, she made the trip without difficulty and was happy.

**GO TO CHURCH!**  
ISSUED BY  
THE OCALA BAPTIST CHURCH  
SERVICES EVERY SUNDAY 11 A. M. AND 7:30 P. M.

## The Thirsty Oak.
